# Official Notice of Student Charges – Academic Year 2024-2025

Howard University hereby announces the tuition rates, housing rates, meal plan rates, and student fees for the 2024-25 Academic Year.

In announcing the student charges for the academic year, Howard University wishes to emphasize that Howard's tuition remains low compared to other private universities in the D.C. region and compared to other similarly ranked private universities in the U.S. overall. Student charges at Howard also compare favorably to student charges at other Historically Black Colleges and Universities (HBCUs).

This notice details all the approved tuition rates and other student charges that have been approved and/or re-affirmed by Howard University's Board of Trustees.

For the 2024-25 academic year, the Board has approved the following changes in student charges:

- A 7.5% increase in undergraduate tuition.
- A not-to-exceed 15% increase for the opt-out Student Health Insurance Fee, pending final rates to be provided by United Health Care.
- School-specific tuition and fees adjustments as listed herein.
- An average 5.5% increase in housing rates.
- An average 4.5% increase in dining rates.

All other student fees, including school and course-specific fees, have been reaffirmed.

---

*The undersigned hereby certify that the tuition rates and student charges set forth herein were duly adopted or re-affirmed by the Board of Trustees of Howard University at its meetings on November 3, 2023, or at previous meetings of the Board.*

Christie Taylor  
Secretary of the Board of Trustees

Stephen Graham  
Chief Financial Officer

## 1 Tuition and Enrollment Related Fees – General Information

### 1.1 Pricing

Tuition is based on (a) the enrollment status of the student, (b) the semester, and (c) the school or college attended.

#### 1.1.1 Enrollment Status

- Full-time status is when a student is enrolled in a minimum of 12 credits in the fall AND spring semester.
- Part-time status is when a student is enrolled in less than 12 credits in the fall OR spring semester.

#### 1.1.2 Semesters

Tuition is based on the semester, and the student's enrollment status.

- For full time students: a flat rate tuition is charged. Included in the tuition is a total of 42 credits that may be taken throughout the academic year, which includes the fall, spring, and (if eligible) summer semesters.
  - For the fall and spring semesters: tuition covers between 12 – 21 credits. Credits taken above the maximum of 21 credits are charged an additional amount, based on the full- time excess credit rate.
  - For summer semester: the summer semester credit rate is used per credit taken.
- For part time students:
  - For fall and spring semester: a part time credit rate is applied to credits taken.
  - For summer semester: a summer semester credit rate is applied to credits taken.

#### 1.1.3 Application of Payments to Student Charges

When a student submits a payment to their student account, payments are applied in order based on a hierarchy of charges, as follows:

1. Tuition
2. Fees
3. Housing
4. Meal Plan
5. Parking

## 2 Tuition and Fee Charges

Howard University is composed of fourteen school and colleges, listed below.

1. College of Arts and Sciences
2. College of Dentistry
3. College of Engineering & Architecture
4. College of Fine Arts
5. College of Medicine
6. College of Nursing & Allied Health Sciences
7. College of Pharmacy
8. Graduate School
9. School of Business
10. School of Communication
11. School of Divinity
12. School of Education
13. School of Law
14. School of Social Work

Of these schools, seven offer undergraduate degrees. Except for the Human Development Degree Completion program, all undergraduate tuition rates are uniform across the schools and colleges. Graduate tuition rates may differ by program and are listed accordingly under the respective schools. Graduate programs that are not specifically listed generally follow the rates listed under the Graduate School. In addition, each school or college has its own fees that support its curriculum, instructional programs, and related provided services.

In the subsequent subsections, tuition and fees are presented by college or school.

## 3 Other Information about Tuition Charges

### 3.1 Dual Degree Programs

- Dual degree candidates will be charged tuition based on the school or college that administrates the dual degree program. For instance:
- The School of Social Work offers dual degree programs with the School of Business and the School of Divinity; therefore, a student will be charged the tuition associated with the School of Social Work for the duration of the dual degree program.

### 3.2 Tuition Discounts

Howard has programs where eligible students may qualify for tuition discounts.

#### 3.2.1 *Undergraduate Tuition Discount for Multiple Siblings Concurrently Enrolled*

A ten percent (10%) undergraduate tuition discount is available for multiple siblings who are attending Howard University concurrently in full-time status effective August 15, 2017. In cases where siblings from the same family are enrolled in both undergraduate and graduate and professional degree programs, the discount will only apply to the tuition of the undergraduate students.

Please refer to the published policy for complete detail on guidelines and eligibility.

## 4 Housing Rates and Fees

For several of the student resident halls, Howard University partners with property management firms to administer residential life programs and provide property management services. Howard's agreements with these entities provide for rates to be set by the managing committees for the facilities.

For AY2024 – 2025, Howard University and the management review committees approved the following changes to housing rates and fees as reflected below.

### 4.1 Housing Deposit and Fees

Howard University requires the following non-refundable out-of-pocket deposits for housing, which are credited to the charges on a student's account once the student is actively enrolled:

Charge Description	Unit Charge	Amount
